Rug-pull Review

Based on the available information analyzed by us, we come to the following conclusions:

- Locked Liquidity
- No large unlocked wallets
- No doxxed Team

Honeypot Review

Based on the available information analyzed by us, we come to the following conclusions:

- Ability to sell
- Owner is not able to pause the contract
- Router can be changed
 - Note: Contract is renounced so not possible anymore

Note: Please check the disclaimer above and note, the audit makes no statements or warranties on business model, investment attractiveness or code sustainability. The report is provided for the only contract mentioned in the report and does not include any other potential contracts deployed by the project owner.
